DAY 03 From Balu ka Ghera to Sheagoru via Hampta Pass

TripHighlights: Hampta Valley, Shea Goru,

The ever-changing Himalayan scenery will be yours to see as weset off on our trek First thing in the morning after breakfast. The trail's gentle inclines make it ideal for First- timers, and you may learn a lot about the valley and its inhabitants from the shepherds you meet along the way. If you follow these paths, you will eventually reach the breathtaking Hampta Valley. We depart from the Hampta settlement and go via the Lahaul Valley. Downhill and steep it is on the path. Most of the Final km leading up to the campground is level. Although the winds make Shea Goru, which translates as "Cold Street" in the local language, quite chilly, it is also the most picturesque campground on the Hampta Pass hike. Staying the night at Sheagoru for camping.
